Program Summary:

The City Council consists of the Mayor, five (5) City Council Members who are elected under a single-member district plan and two (2) who are elected at large. The Mayor is elected at large. The Mayor and each Councilmember shall serve for a term of two years. The elected officials shall serve not more than two terms in succession.

The City of Brownfield's home rule Council-Manager form of government was originally adopted in a City Charter election on November 16, 1954. An election was held on May 6, 2000 whereby thirty-two amendments were passed amending the City Charter. Operating within the context of the City Charter the Council is responsible for appointing the City Manager, City Attorney and Municipal Court Judge.

The City Council is the policy making body of the city government, exercising those powers granted by the City Charter, State law, and the State constitution. The Council provides legislative leadership in establishing ordinances, resolutions, and policies to enhance an efficient and effective administration of the City departments to ensure that all citizens are provided with an equitable level of quality services; to further the orderly development of the City; and to promote the safety and welfare of its residents. All of this is done within the financial guidelines established in the Annual Budget.

Program Summary:

The Police Department provides routine law enforcement activities to protect life and property through enforcement of State laws and City Ordinances through a combination of proactive, reactive and community policing techniques. It also provides communications services including dispatching for the Police Department, Fire Department, Sheriff's office, Department of Public Safety, ambulance service, 911 service, and other communities as needed. The other area of service encompassed within this department is animal control which provides enforcement of animal control ordinances, catching animals running at large in violation of the ordinances, investigating rabies cases, and picking up dead animals.

The Police Department is the largest department within the City organization in terms of personnel due to the 24-hour a day nature of its operations and it is headed by the Chief of Police who is charged with the planning and management of the department. The Chief of Police evaluates the law enforcement needs of the community and plans the activities of the department in a manner which will enhance the service provided and best meet the identified needs. The activities involved in providing these services include traffic law enforcement, crime prevention and detection efforts, criminal investigation, apprehension of violators, appropriate communications, animal control, nuisance violations, and related activities.

The overall mission of the Police Department is to enforce laws in a legal, ethical, and equitable manner; and to provide timely and effective responses to both emergency and non-emergency calls for service.

Program Summary:

Brownfield Municipal Power and Light has been the electric service supplier for the City of Brownfield since the early 1920's. All of the city's generating facilities were designed to operate on natural gas or #2 fuel oil. In 1977 the city completed an interconnect facility to purchase a portion of its electrical needs from Southwestern Public Service Company. To ensure power availability in the future, Brownfield helped create a joint action agency, the West Texas Municipal Power Agency, along with the cities of Lubbock, Tulia and Floydada. In July 2004, the members of WTMPA became full requirement customers of Xcel Energy.

The overall mission of this department is to maintain a safe and adequate supply of electricity for the citizens of Brownfield and to maintain the distribution system's control center in optimum operating condition.
